MEMORY

GAME SETUP

1. Cut out the 36 cards.
2. Mix and spread the cards with the Hot Wheels Monster Trucks Live logo facing up
3. Form 6 rows of cards across and 6 columns down using all 36 cards (or 18 pairs)

GAME PLAY

1. Youngest player goes first. Players take turns, to the left, turning any two cards picture-side-up. The cards must be turned over completely, so that all players can see them
 - **A MATCH:** A player makes a match if the two cards turned picture-side-up are identical. When a match is made, the player takes both cards and places them in front of him or her. That player then takes another turn and continues taking turns until he or she misses.
 - **A MISS:** A player misses if the two cards turned over are NOT identical. When a player misses, he or she turns the two cards over so the Hot Wheels Monster Trucks Live logo is facing up again, in the same place. That player's turn ends—and all players try to remember which cards were turned over, for future matches.
2. The game continues until all cards have been matched and removed from the playing area. All players then count up their matching pairs.

SOLO PLAY

Just set up the game as described above, using any number of pairs, and count the number of turns it takes you to match them all. Try to improve with each game you play.
